

The background of the entire poster is a dark blue gradient. It features a grid of hexagons, each containing a white medical icon such as a DNA helix, a brain, a heart, a kidney, a liver, a stomach, an eye, an ear, a person in a wheelchair, a first aid kit, a heart with a pulse line, a cancer ribbon, and a caduceus. A large, glowing blue cross is centered over the grid. Faint, illegible text from a document is visible in the upper left corner.
